## Company Profile

Jin Tay Industrial Co., has been a specialist on various locks and hardware since 1980. With headquarters in Taiwan and a state of art manufacturing plant in China. JTIC also stands for "Joining Technology, Innovation and Convenience" the company's slogan that reflects the mission of the company.

We combined decades of engineering experience with modern technologies to create various security products such as Switch locks, Cam locks, Cabinet locks, TSA travel sentry locks, computer security locks and Cable locks. The products are widely used in computers, telecommunications, elevator, electric car, vending machines, game machines, alarms, furniture, locker, and travel goods. and sold to America, Japan, Europe, Southeast Asia and mainland China.

Jin Tay has successfully developed a series of keyless locks to enhance security features, Bluetooth and NFC have been integrated into electronic locks, and we are also developing a cloud-management system to incorporate the needs of the Internet of Things, our goal is that Jin Tay can cooperate the project development of smart lock with customer.

We have a talented engineers team who can handle from designing a product to mechanical functions as well as maintaining high performance manufacturing.

We welcome OEM, ODM development projects.
